

GROW: New Entrant Training Program

Skills Training: 4 Weeks

Monday-Friday 9:00am-5:00pm

Featuring online and hands-on learning

Paid Work Trial: 2 Weeks

Trials intended to lead to ongoing employment

All GROW Program participants will:

- Build a professional network.
- Access one-on-one support to find full-time employment with sector employers.
- Train with current industry professionals.
- Gain in-demand skills and safety knowledge.

FREE training and support to help launch your career.

The GROW Program curriculum focuses on:

- Installation & Maintenance
- Horticultural Principles
- Plant Identification
- Safe Tool & Equipment Use
- Workplace Readiness
- Health & Safety incl. WHMIS

Applications are now open for residents in the Muskoka/Kawartha & GTHA Regions

Training Begins January 2022
