Journalism

The Program

The **Bridge to Employment in Media & Communications (BEMC)** Program prepares internationally trained media, marketing, and communications professionals to find a meaningful career in Ontario in fields related to broadcast media, digital marketing, social media, communications, Public Relations, and journalism.

Program Goals

- 1 Help you have an in-depth understanding of media and communications landscape, practices, and career opportunities in Ontario
- 2 Improve your mastery of professional communication skills required in the field
- 3 Offer you an opportunity to gain real work experience in the field media and communications field by connecting you with employers and with professional networks
