

SAFETY. DIGNITY. STABILITY.

Aurora House Needs Your Help

In 2026, Aurora House proudly marks 10 years of providing safety, stability, and compassionate support to women rebuilding their lives after trafficking, exploitation, and abuse in Canada.

We are launching **Safety. Dignity. Stability.** a bold campaign with the goal of raising \$100,000 to upgrade safety features, repair the home, and continue providing a stable place for women and families to heal and rebuild their lives.

What we're raising money for:

- Upgraded safety and security systems
- Essential structural and home repairs
- Furnishings and household essentials
- Creating a stable, welcoming environment for residents

Every contribution strengthens safety.

SAFETY. DIGNITY. STABILITY.

Every contribution brings us closer to a safer, more stable home for women and children rebuilding their lives after violence and trafficking.

Ways you can help:

There are many meaningful ways individuals, businesses, and community groups can support the \$100K campaign:

- **Donate:** One-time or monthly giving directly strengthens the safety and stability of our home.
- **Fundraise:** Host a small fundraiser, donation jar, bake sale, community event, or holiday drive.
- **Business Partnerships:** Local shops can support by donating a portion of sales, rounding up purchases, or displaying our flyer.
- **Community Support:** Faith groups and community organizations can collect offerings or run group fundraising initiatives.

Why your support matters:

Aurora House provides long-term safety, stability, and dignity for families who have nowhere else to turn.

When the community rallies behind us, we can:

- keep families safe
- help survivors rebuild their lives
- ensure children grow up in a secure, supportive environment

Your participation truly changes lives.
